***Disclaimer:** This list is intended for two purposes.

1. To provide guidance in selection of a PT provider for the CALA Fast-Track policy. It is the responsibility of the laboratory to ensure that the PT samples and provider meet the requirements outlined in the CALA Fast-Tracking policy (*PT15-CALA PT Program, Policies and Procedures*).
2. Only the providers included in this list may be used in support of option b) (ii) of the CALA Correlation Proviso (*P02-Program Description*). These providers are accredited, have provided PT samples for Fast-Tracking and have agreed to be an approved supplier, or have been investigated by CALA and judged competent to provide PT samples in support of CALA accreditation for specific parameters.

** This provider is approved for water microbiology only.
